A home away from the hustle and bustle of the city

Set on the side of a kopje facing into Mokolodi Nature Reserve this is a truly one-of-a-kind home with spectacular views of Mokolodi, Notwane and beyond. Built by the Owner this home is built of local rock and thatched. This "off the Grid" home is a testament to the Seller's unique capabilities in that it is remarkably well built and has weathered the decades. A half an hour's drive from civilization this home is not one for someone wanting to pop to the shops. However, it was built with guests and entertaining in mind.

The property is 1 Hectare but has a 100m "comfort zone" located within the Mokolodi Nature Reserve.

The main house is very spacious, an open-plan living, dining and kitchen is cool in the summer heat due to the thatch and a thatched verandah attached. There is only one main bedroom in the house...

Features
